Prayer Guide

*A Prayer Guide for the upcoming
2018 Asia-Pacific Economic Cooperation Summit*

A Note to The Body of Christ

There has been much discussion and many negative comments around the nation surrounding the upcoming APEC Summit to be held in November 2018. To be sure, there are many concerns which are very valid and need to be addressed, however, the important question we need to ask is "What does the Most High God think about this summit and does He have anything to say about it in His Word.?"

As we have been praying about this APEC Summit, the Holy Spirit has reminded us about the fact that over the last almost 30 years, He gave us Isaiah 60 as our national scripture to declare over the nation; and that it is now time for this scripture to be fulfilled. It starts out by proclaiming in verse one "Arise Shine for your light has come and the Glory of the LORD rises upon you." In verse three it goes on to say "Nations will come to your light and kings to the brightness of your dawn." So it is the plan of the Most High, for Papua New Guinea to have nations and their leaders come to our land. The thing that will draw these leaders to our nation will be the light of the glory of the LORD that shines on us.

The word "light" in the Hebrew language אור means to bring to light, illuminate or revelation. If we want this glory, this light and this revelation to be seen by all who come to our nation, then first of all, each one of us need to be children of the light and have no part of the darkness, for we have been rescued from the dominion of darkness (Col 1:13). Secondly, this light, glory, and revelation must be a reality; this revival or outpouring of His Spirit that has been spoken about, must come to pass in this hour. We must all forget our differences with each other, set aside our personal agendas and hold hands together to pray and entreat the LORD for His visitation in this hour as we prepare a habitation for Him.

These world leaders may be coming to Papua New Guinea for an economic summit, but could it be that they are also coming to set foot on this land where they will have an encounter with the King of Kings and the Lord of Lords; the Light of the World.

Certainly this APEC Summit poses a great challenge, but it also provides us with an incredible opportunity. Please join with the millions of people around the country, as we pray in desperation to see His Kingdom come and His will to be done.

This prayer guide is only a tool to help you intercede effectively. Please let the Holy Spirit lead you as you pray

"Arise Shine for your light has come, and the glory of the LORD rises upon you, ² see darkness covers the earth and thick darkness is over the people, but the Lord rises upon you and His glory appears over you. ³ Nations will come to your light and kings to the brightness of your dawn." What is the **API** 2018?

API stands for the APEC Prayer Initiative and is designed to mobilise the Body of Christ regardless of denomination to pray not only for the upcoming Asia Pacific Economic Cooperation Summit that will be held from November 12-14, 2018, but all of the issues that surround the summit. While the government's primary concerns and efforts are related to the infrastructural and logistical matters, but who is going cover the enormous spiritual challenges that come along with this summit? **The people of God must rise to this challenge**; and in many ways **we don't have a choice**, if we are to fully realize God's purposes for Papua New Guinea. Although we have been called the poorest of the APEC nations and we don't have the economic, political, and military influence that the others have, our God **אלהינו** (The Most High) can more than make up for our shortcomings. The nations that come for this economic summit must meet Him when they come to Papua New Guinea.

Prayer Cover over the nation is at an all time low and darkness is trying to come in like a flood from all directions. The darkness that threatens to overtake us is not only from within but there are great evils from outside that are trying to enter. If we are honest, we will admit that the darkness has only been able to gain ground as we have deserted our place and responsibility on our knees in prayer. We must raise up a canopy of intercession and praise and worship over the nation now which will create the atmosphere in which the LORD's presence thrives. When He is present, He Himself will fight for us; "for if God is for us, who can be against us" (Romans 8:31). In everything that takes place there is evil that comes with the good, but it is our job in our prayers to shut down those areas of potential evil.

Even though the summit will be held in Port Moresby, we need God's people from every province to help raise up the prayer cover.

As a part of the API, we will cover the main issues like a) National Security, b) the entrance of foreign gods, c) any agendas that may directly oppose the purposes God, d) infrastructure and logistics, but we will also be actively praying for the nations that will be sending their leaders for the summit. Right before our September 16 Independence, we will hold a National Prayer Rally in Port Moresby followed by the establishment of 24/7 intercession and worship (which can be done corporately in each community) in each province leading up to the November 12 Summit.

EVENTS LEADING UP TO THE SUMMIT

What is APEC?

- The Asia-Pacific Economic Cooperation (APEC) is a regional economic forum established in 1989 to influence the growing interdependence of the Asia-Pacific. APEC's 21 members aim to create greater prosperity for the people of the region by promoting balanced, sustainable, inventive and secure growth and by promoting regional economic integration.

What does APEC do?

- APEC ensures that goods, services, investment and people move easily across borders. Members facilitate this trade through faster customs procedures at borders; more favorable business climates behind the border; and aligning regulations and standards across the region. For example, APEC's initiatives to synchronize regulatory systems is a key step to integrating the Asia-Pacific economy. A product can be more easily exported with just one set of common standards across all economies.

Sustainable and Inclusive Asia-Pacific

- APEC works to help all residents of the Asia-Pacific participate in the growing economy. For example, APEC projects provide digital skills training for rural communities and help indigenous women export their products abroad. Recognizing the impacts of climate change, APEC members also implement initiatives to increase energy efficiency and promote sustainable management of forest and marine resources.

- The forum adapts to allow members to deal with important new challenges to the region's economic well-being. This includes ensuring disaster resilience, planning for pandemics, and addressing terrorism.

Blessing or Curse?

A major factor that we must understand, if we want our nation to be under the favour of the Most High God is our standing with Israel. This is first brought out in Genesis 12:3 when God makes a covenant with Abram *"I will bless those who bless you, and whoever curses you I will curse; and all peoples on earth will be blessed through you."* What does this have to do with Papua New Guinea in the 21st Century? Well, this blessing and curse is still in operation today depending on how individuals and peoples and nations treat the sons of Abraham, the Jews. Although we are proud to be called a the Christian nation, the very foundations of our faith are deeply rooted in Israel and the Jewish people, both spiritually as well as historically. Those who stand against the Jewish people are guilty of anti-semitism. Anti-semitism is the hatred, dislike, or coming against in any way, the Jewish people.

In the early 90's our ambassador to the United Nations voted against Israel on a very important resolution on the floor of the General Assembly of the United Nations. We suffered as a nation as a result of this decision. After much repentance over the years, the Holy Spirit brought us through and released from the curse upon our nation as a result. However, recent events in the United Nations where the vote was taken on moving the US Embassy to Jerusalem, somehow, once again our ambassador voted against the resolution, against the nation of Israel, and against the purposes of Adonai.

This may seem a very small and unimportant thing to you, since Papua New Guinea's vote had no effect on the outcome, however this has placed us in a very dangerous position with the Most High who thousands of years ago decreed Jerusalem to be the chosen headquarters of the Jewish people (1Kings 11:13, 32, 1Kings 11:36, 2Chronicles 6:6, Zechariah 3:2).

Now, I know that most of the people of Papua New Guinea, love the people of Israel; how then did our government take such a vote in opposition to what the general public believe so strongly about. Many of us have been very disturbed, even angry by this turn of events, and have even written to the government, to warn them of the consequences. But only repentance and reconciliation can change the matter over the nation and reverse the curse. And maybe the LORD allowed this to happen, to highlight any anti-semitism in our hearts so we can repent of it and be free.

Please spend time to identify with the sin of anti-semitism which has caused our government to vote against the sons of Abram and repent. Ask the Holy Spirit to help you understand the roots of this sin and repent. As we repent, we will reposition our nation for an outpouring of the Holy Spirit, that the rains of revival will begin to fall.

APEC Concerns

Singapore

Leaders of the four largest economies in the world will come to Papua New Guinea for this Economic Summit. Although there is much to be concerned about, we must remember that the LORD who made the nations has a plan and that He is in control.

- a) **National Security**
- b) **The entrance of Foreign gods**
- c) **Any agendas that may directly oppose the purposes of the Most High God**
- d) **The Economy, Infrastructure and logistics**

National Security

... Unless the Lord watches over the city, the watchmen stand guard in vain. Psalm 127:1

How can a nation our size with a limited Defense and Police Forces hope to provide security for the foreign dignitaries? With our borders so large and difficult to monitor and protect, how can we hope to keep terrorists from entering undetected? Let us be sure, that without the protection of the LORD, security becomes impossible. Deuteronomy 23:14 *For the LORD your God moves about in your camp to protect you and to deliver your enemies to you. Your camp must be holy, so that he will not see among you anything indecent and turn away from you. There is a condition to receiving the Lord's protection.*

Entrance of Foreign gods

You shall have no foreign god among you; you shall not bow down to an alien god. Psalms 81:9

A major concern for us as a nation is that those delegations coming for the APEC Summit may bring their gods with them when they come and defile our land. As a result, we will need to seal and monitor our borders. In 1999 we sealed off our borders by air, sea and land through an initiative called "Operation Prayer Banis". It needs to be resealed, however, because of cracks in the spiritual walls around the nation through our own illegal activities. While we welcome the delegates as our guests and show them love and compassion, whatever god's that come with them must not enter.

We must also realize that while we pray, praise and worship, the presence of LORD will descend and they don't stand a chance in His presence.

APEC Agenda

He thwarts the plans of the crafty, so that their hands achieve no success. Job 5:12

We need to be aware of the agenda that will be agreed upon the world's leaders. Often times when there is funding to be given, it comes with strings attached. Often times it will require us to give up some important moral values. And even in some cases, foreign aid is given with the condition that our leaders promote same sex marriage, gay and lesbian rights or whatever agenda the foreign government desires. It is easy for developing nations to sell their soul for the needed financial assistance.

Economy, Infrastructure and Logistics

I urge, then, first of all, that requests, prayers, intercession and thanksgiving be made for everyone –² for kings and all those in authority,... 1 Timothy 2:1,2

How can we as a nation who is going through an economic crisis, host such an event? Where do we find the funds to finish building the infrastructure (roads, buildings, airport renovations, etc.) for the event and for the logistics (organising and managing everything from security, to accommodations, transport, etc.) to accommodate the world's wealthiest nations? These are some of the questions that are being asked by many, both in politics as well as the general public. Again, if this APEC summit is in the plan, the purposes of the Almighty, then He also must have solutions to these problems. He alone can help us and our leaders need to humble themselves and begin to ask the Holy Spirit for His council at this time. While many are having great hopes that this summit will bring much needed financial relief and boost our economy out of this crisis, we must not put our trust in horses or chariots but in the Name of the LORD our God.

September 17-November 14 24/7 Worship and Intercession

Starting on September 17, communities, neighbourhoods, churches and families will begin almost two months of 24 hours a day, 7 days a week prayer and worship leading up to the APEC Summit on November 12. All it takes is 24 people or families in a church or community to take one hour a day to be in prayer and worship to cover all the hours in a day. If we seriously want to see the LORD take His place in the nation and bring His presence down, then we will have to lay aside many of our activities and do whatever it takes to make Him welcome. We invite you to join in this river of prayer with a host of those who will answer the call to spend one to two hours in prayer and worship to the KING of KINGS. By the time the APEC Summit arrives, there should be a canopy/covering of the Presence of the Most High over the nation so that when

world leaders set foot on Papua New Guinea's soil, they have an extraordinary encounter with Him.

One clear purpose for worship is, that it was what we were created to do; and it produces the environment that we were created to dwell in. Adam was created in God's presence; that is to say that God was present when Adam was created, so naturally Adam thrived in His presence and began to die and decay when away from His presence. We were created to dwell in the Presence of the Most High God and the environment in which we best operate (body, soul and spirit), is in His presence. Our minds operate at maximum efficiency in His presence. We find wisdom, knowledge, understanding, council, power and the fear of the Lord in His presence. Our body operates at its maximum peak in His presence and tiredness, weakness and sickness are diminished in His presence. Our spirit soars in His presence and we find total peace, joy and love in His presence.

Worship is also a pure form of Spiritual Warfare. Because worship brings down the Presence of the Lord of Heaven's Armies, every evil presence, every agent of the enemy and even the powers of darkness will naturally be driven back. Just as King Jehoshaphat sent out the worshipers at the front of the army when they went into the battle and the Lord sent an ambush against their enemies (2Chronicles 20:22), when we focus on Him in worship, He does battle on our behalf.

THE PURPOSE OF 24/7 WORSHIP AND INTERCESSION?

24/7 Worship is nothing new, in fact, it has been going on long before creation. We read in Revelation 4:8 that "Day and night, they never ceased to say "Holy Holy Holy, is the LORD God Almighty who was and is and is to come," Around the throne there is a continuous stream of worship that is being lifted up to the Lamb Who Sits on the Throne. He is the focus of all worship and every being ever created, was created to worship Him. Continuous worship is the primary activity that takes place around the throne.

1) Worship, a Mind Set and a Life Style

Although we could never technically participate in this kind of worship and prayer because of our need for food, sleep, exercise etc, we must make worship a lifestyle and it must be our heart attitude. We take worship wherever we go and our mind is conditioned to worship at work, at school, at the market in the store or while driving. Worship is not just words or music, but it comes deep from our spirit. Words and music are just an expression of what is in our hearts.

2) Worship in the Home

Worship is not just to be done among the congregation on Saturday or Sunday. Each home must be a house of worship. The worship that takes place when we gather with other believers must be an extension of what is already taking place in the home. There is evidence in the Old Testament that families had altars where they worshiped, called upon the name of the Lord and made sacrifices (see Judges 6:25-26, Job 1:5). It is time to rebuild the family altars of worship so that the next generation grows up in the presence and fear of the Lord.

3) Worship in Cooperation

This kind of 24/7 Worship is not just done by an individual but is done in cooperation with others in the Body of Christ. In some places they have a specific place where people come to worship during their one or two hour time slot. This can be difficult with transport. However, if each family in any fellowship or community takes a one or two hour period when they worship in their home, they can easily cover the 24 hour period. Because those who are participating in 24/7 worship live in different parts of the community, they will begin to raise up a canopy (or covering) of worship over the community where the Presence of the Lord will begin to be felt.

Worship must be pure passion. Make no mistake, worship was created to be a pure demonstration of passion and intimacy, not born out of ritual, obligation or duty. The Father is not so interested in our musical ability or how well our voices or instruments sound, or how well we can express it; it is the pure cry of our heart that touches His heart. Our worship must be a fresh expression of what is in our heart, not left over from past experiences of when we felt His presence. We must not worship our Father because of what He has done or even what He will do for us, but because He is supremely worthy and we can not do one more minute without Him.

The relationship between worship and Intercession

Worship, Intercession and warfare go together hand in hand. They overlap and can not be separated. While in worship, the Holy Spirit gives direction in how and what to pray or maybe a scripture to declare. Our prayer should be an act of worship and our worship often is the deepest prayer of our heart.
